IMMACULATE CONCEPTION SCHOOL-Monmouth
Supply List 2011-2012
4th Grade

1 3-subject notebook with pocket dividers
1 other large notebook with perforated edges for tearing out and turning in homework assignments
2 sturdy folders
crayons or colored pencils
markers
1 package of red pens
1 or 2 packages of pencils (depending on how easily you break them!)
1 sharpener for your desk
1 large pink or green eraser
2 boxes of Kleenex
scissors (large)
glue
pencil box or bag (medium-sized, large won't fit in desk)
1-2 rulers with metric on one side and inches marked to sixteenths on other
one ream of white copy paper

I will collect all the red pens and 1 package of pencils from each student at the beginning of the year and create a community bin where anyone can get a pencil or pen when they need one. This has worked out well and everyone can always be prepared. I also recommend a **ruler for home** as students will need one about every other night. If you choose you may want to cover your math notebook with a **folder that has vertical side pockets** the notebook can slip into. This notebook goes home every night and wears out quickly. Finally, students will need a **calculator** at home to check math later in the year. We will also use it at school near the end of the year.
