2 Children	\$360.83	\$2165	\$4330
3 Children	\$440.83	\$2645	\$5290

Please note that the tuition monthly scale reflects payments over a **twelve-month** period, August 2010–July 2011.

***Parishioners** are asked to use church support envelopes so that it may be confirmed that they are practicing members of the parish. It will be understood that they are practicing members of the parish if contribution envelopes are received at least three Sundays a month (unless there is an extra-ordinary reason and the priest has been consulted). If this is not the case, they will be billed at the non-parishioner rate as listed above. The additional tuition will be automatically added to the electronic debit contract. All registered parishioners will be accountable for the parishioner rate when they register their children.

All families may select one of three ways to pay their tuition using electronic debit:

1. Annual payment due on or before August 13, 2010.
2. Semi-annual payment through an electronic bank debit with the first half due on August 13th or 31st 2010 and the second half due on January 14th or 31st 2011.
3. Twelve monthly payments that are due on or around the 15th or 30th of each month, which ever you choose, with the first payment due in August 2010 and the last payment due in July 2011.

The tuition schedule assumes participation in the **Fair Share Program**. In the Fair Share Program, each family helps to earn \$425 for Immaculate Conception School in a variety of volunteer ways. The Fair Share contracts must be completed and returned to the school prior to the first day of school, August 20, 2010.

The **book fee** is \$175 per student. The **technology fee** is \$25 per student. Half of these fees (\$100) are due at registration on March 25, 2010 and the balance is due on or before August 13, 2010. If the balance is not paid by this time, then an electronic debit will be made on August 20, 2010. **After School** rates are not available at this time and **lunch fees** are \$2.20 per student and .30 for extra milk. All parents will be accountable for paying their accounts in a timely fashion each month.

There will be **NO registration fee** for those who register on or before March 25, 2010. Parents who register their children after March 25th will have to pay a \$25 registration fee. Parents may register through the white envelope prior to March 25th.
