

**2011-2012**

**Parental Covenant Agreement**

Immaculate Conception Parish believes that the faith dimension of its school is important for the future vitality of the Catholic Church. As a result, the parish subsidizes the school financially so that it may be accessible to the parishioners at an affordable cost.

In order for parishioners to qualify for parishioner tuition rates, it is expected that parents/guardians and their children will attend Mass in their parish church and share their time, talent and treasures with the parish and the school.

To this end, Immaculate Conception Parish is asking parents/guardians who receive parish rates to sign a covenant agreement with the parish. We ask that you fulfill your responsibility as parents by affirming the following:

1. Being registered at the church if you are Catholic
2. Attending worship services at Immaculate Conception Church
3. Contributing to the support of the parish by using a minimum of three envelopes a month
4. Attending the parental/guardians sessions for the sacramental preparation of children when your child is preparing for First Communion, the Sacrament of Reconciliation, and Confirmation

By signing this covenant, parents/guardians are considering themselves active members of Immaculate Conception Parish and are demonstrating that by their actions.

I/we commit to the above:
