Please note that the tuition monthly scale reflects payments over a **twelve-month** period, August 2011–July 2012.

All families may select one of three ways to pay their tuition using electronic debit:

1. Annual payment due on or before August 15, 2011.
2. Semi-annual payment through an electronic bank debit with the first half due on August 15th or 31st 2011 and the second half due on January 13th or 31st 2012.
3. Twelve monthly payments are due on or around the 15th or 30th of each month, with the first payment due in August 2011 and the last payment due in July 2012.

The tuition schedule assumes participation in the **Fair Share Program**. In the Fair Share Program, each family helps to earn \$425 for Immaculate Conception School in a variety of volunteer ways. The Fair Share contracts must be completed and returned to the school prior to the first day of school, August 19, 2011.

Pre K School fees include a **technology fee** of \$50 per student. One half of this fee (\$25 per student) is due at registration on March 24, 2011 and the remaining balance is due on or before August 12, 2011. This amount is non-refundable. If the balance is not paid by this time, then an electronic debit will be made on August 19th, the first day of school. Pre K School children will be charged an annual fee for milk that is offered during snack. **Lunch and milk fees** will be determined in August. Parents will be accountable for paying their accounts in a timely fashion each month.
