Safe Environment for School Volunteers

We would like to thank all the parents and families who quickly completed their Safe Environment training. If you haven't completed this please take time to do so. Create an account [CMGConnect](#) to register, complete the "Safe Environment Training ", fill out a CANTS background check and criminal background check through [Selection](#). There is a \$6 processing charge plus fees for each selection background check that each participant will be responsible for. These are all requirements by the Diocese to be a volunteer on a field trip or class room parties. Also, from time to time, ICS might need a few drivers to transport children. If you think you will be available to do this you will also need to complete the safe environment Driving Course in CMG Connect.

If you are interested or have any questions please contact Mrs. Simmons at fsimmons@immaculate-conception.net. A volunteer requirement checklist and additional forms and information is available in the school office.
