ALICE Letter and training

Later this week ICS will practice its Active Intruder drill with the Monmouth Police Department. I have attached an informational letter that all ICS parents should review, especially if you are new to ICS. We participate in this drill yearly to prepare our students in the case we have an intruder in our building and is appropriate for all ages. I pray daily that this preparation never has to be used, but in today's world you can never be too safe. Please know I am here to answer any questions that you may have so please do not hesitate to contact me.

At this time, we have pink, white, orange, and purple Amish grown mums for \$20 a piece. When you are finished selling mums, please turn in the order sheet to the office so we can track your Fair

Safe Environment for Parent Volunteers

It's great to be able to have families come into the school and help with children's room parties, volunteering, and chaperoning field trips. Which means it is time to get your required forms completed for the dioceses. Please remember you will need to create an account [CMGConnect](#) to register, complete the "Safe Environment Training", fill out a CANTS background check and criminal background check through [Selection](#). There is a \$6 processing charge plus fees for each selection background check that each participant will be responsible for.

These are all requirements by the Diocese to be involved with the children.

If you have already created an account please login to see if you are missing any required features or if any training features have expired. These things need to be completed before you can volunteer. If you are interested or have any questions please contact Mrs. Simmons at fsimmons@immaculate-conception.net. A volunteer folder with a requirement checklist and additional forms and information is available in the school office.

2022-23 Fair Share Agreement are NOW DUE

You can print a PDF copy by logging into FACTSIS and clicking on the Resource Documents. If you do not have access to print, please contact the office and we will get you a copy. Fair Share is to aid in keeping tuition rates down, to offset fundraising costs, and to build our school community through involvement in school activities. The points are tracked through your FACTS financial accounts. The 300 points will be invoiced and throughout the year deductions will be credited to your "Fair Share" account for contributions you have made. In May, if you have not met your 300 obligation, the balance is due to the school in the dollar value and will be deducted out of your account on May 31, 2023.

If you haven't completed an agreement, please take time now to fill it out and return to the school office by September 23, 2022. If we do not receive these past due agreements those families will be assessed 50 extra penalty points to earn or pay.
