24 HOUR RULE

As the cold and flu season gets closer I want to remind parents of the expectations that ICS has in regards to fevers or a student getting sick at school. The rule states that students who have a fever cannot return to school for 24 hours from the time the fever registers at school or home. For example, if a student leaves school at noon because of a fever, they could not return to school until noon the next day. I know this isn't always convenient, but we want to minimize the spread of germs and prevent as much sickness as we can. We appreciate your attention to this matter and let's hope for a healthy fall and winter for our students and their families!

Knights of Columbus Blood Drive is back!

The Monmouth Council of the Knights of Columbus is teaming up with Immaculate Conception School again to host a blood drive on ***October 12th in Mary Twomey Hall from 3:00 - 7:00p.m.*** The first blood drive was such a success we thought we'd do it again! Please remember the more blood that we can donate the bigger the grant will be for ICS and the more people we can help. If you are interested please use the following link

LOST AND FOUND

There are a significant number of items in the lost and found. Some of these items have been in the lost and found since the first week of school. You are welcome to look through these items to see if anything belongs to your child. The items are on the radiator vent right inside the main entrance to your left. Please consider writing your child's name or initials on tags. This will help us find the owner of the lost item. If you cannot make it to the school during school hours and know of something specific your child is missing, please contact Mrs.

Schroeder at meghanschroeder@gmail.com and she will check the lost and found for you. Thank you!

Safe Environment for School Volunteers

We would like to thank all the parents and families who quickly completed their Safe Environment training. If you haven't completed this please take time to do so. Create an account [CMGConnect](#) to register, complete the "Safe Environment Training", fill out a CANTS background check and criminal background check through [Selection](#). There is a \$6 processing charge plus fees for each selection background check that each participant will be responsible for. These are all requirements by the Diocese to be a volunteer on a field trip or class room parties. Also, from time to time, ICS might need a few drivers to transport children. If you think you will be available to do this you will also need to complete the safe environment Driving Course in CMG Connect.

If you are interested or have any questions please contact Mrs. Simmons at fsimmons@immaculate-conception.net. A volunteer requirement checklist and additional forms and information is available in the school office.
