ALICE Letter and training

Later this month ICS will practice its Active Intruder drill with the Monmouth Police Department. I have attached an informational letter that all ICS parents should review, especially if you are new to ICS. We participate in this drill yearly to prepare our students for an intruder in our building and is appropriate for all ages. I pray daily that this preparation never has to be used, but in today's world you can never be too safe. Please know I am here to answer any questions that you may have so please do not hesitate to contact me.
